New Walk Description. (Grid Refs are New Map).

Drive up the Kings Highway, and 19.3km from meeting place, turn right into Lyons Road. (Caution here, it's right from the overtaking lane, and it's not too good for seeing oncoming traffic). 29km from the meeting place, park at well marked junction with Clyde Ridge Road - 365 625. If you take the walk anticlockwise, the grades are easier after lunch. Walk to 390 640 + turn left onto Mines Road South. Note the mine shafts on the right hand side at the northern end, and when you come to T junction after the ford, turn right. This also joins Mines Road in about 100m and you will find mine shafts on ~~the~~ either side of the road, and at the junction with Mines Road. Turn west on Mines Rd, and left onto Lyons Rd to return to the cars. The last section of the walk offers views (on a clear day) to the Castle + Pigeon House to the NW and to Batemans Bay + Dromedary to the S.
